

e-IRG Workshop 25-26 May 2021

Bio

Daan Broeder (CLARIN ERIC)

Daan Broeder has a background in electrical engineering and signal analysis, and has a long career working on research infrastructure, working in different capacities at different CLARIN centres and was managing tasks in European and national projects such as for the archiving and metadata related work at MPI for Psycholinguistics TLA unit, for which he was the CTO, and broader in the CLARIN, DASISH, EUDAT and PARTHENOS projects. He was responsible convenor for ISO standards on metadata and persistent identifiers. Currently he is one of the technical coordinators in the Dutch CLARIAH project and leads a work package in the SSHOC project for CLARIN ERIC.
