Sverker Holmgren (Chalmers University, Swedish e-IRG Delegate)

Sverker Holmgren is Professor in Scientific Computing and Dean of Mathematics and Computer Science at the department of Information Technology of the Uppsala University in Sweden.
He is appointed by the Ministry of Education as the Swedish representative in the European e-Infrastructure Reflection Group (e-IRG) since December 2008. Appointed by the e-IRG plenum as Chair 2013-2014 and re-elected for 2015-2016. The European Commission appointed him as a member of the Horizon 2020 Advisory Group on European Research Infrastructures including eInfrastructures and the CONNECT Advisory Forum for Research and Innovation in ICT. Sverker is currently a mandated Swedish expert to ESFRI.
