

e-IRG Workshop 25-26 May 2021

Bio

Stathes Hadjiefthymiades (University of Athen, Coordinator of the project EFIIA)

Stathes Hadjiefthymiades received his B.Sc. (honours) in Computer Science from the Department of Informatics at the University of Athens, Athens, Greece in 1993 and his M.Sc. (honours) in Computer Science (Advanced Information Systems) from the same Department in 1996. In 1999 he received his Ph.D. from the University of Athens (Department of Informatics and Telecommunications). In June 2002 he received a Joint Engineering-Economics M.Sc. degree from the National Technical University of Athens. Since 1992, he was with the Greek consulting firm Advanced Services Group (ASG), working on the design and implementation of telematic applications and services. Since 1995, he has been a member of the Communication Networks Laboratory of the University of Athens. He has participated in numerous projects realised in the context of EU Programs (e.g., ACTS, ORA, TAP, IST, H2020) as well as National Initiatives (e.g., Telematique, RETEX, Mentor).
