## Session 5: National co-funding mechanism

Filipa Coelho

FCT

21/02/2022

## National eligibility rules:

- Horizon Europe Regulation
- National beneficiaries must report project execution (including financial execution) to KDT JU
- Total national co-funding for each national beneficiary entity is limited to **€250,000** per entity, per proposal
- All proposals with national applicants must include at least one Portuguese company

## NATIONAL CO-FUNDING

- National participants in proposals selected for funding must also sign a national grant agreement (“Termos de Aceitação”), in which the conditions for national funding will be established
- The national grant agreement contains the conditions for the financial execution of the national co-funding through FCT, and foresees the submission of declarations proving the non-existence of outstanding payments to the national fiscal and social security system
